*Lord Jesus, your gift of the Eucharist is an invitation to a deeper relationship with our God. How blessed we are to be gathered at this table.*

In today's gospel reading, Jesus chooses to be baptized by John the Baptist, marking a pivotal moment in His life. This act symbolizes His willingness to humble Himself and identify with humanity in preparation for His ministry. It demonstrates Jesus' obedience to God's will and His role as the Savior of mankind. Jesus' affirmation as God's Son serves as a powerful declaration of His divine nature. This moment marks the beginning of Jesus' public ministry and sets the stage for the miraculous works and teachings that will follow. God's proclamation not only validates Jesus' identity but also foreshadows the incredible impact He will have on the world.

 Maryknoll Statement on U.S. Military Intervention in Venezuela

WASHINGTON, D.C.—We witness with profound sorrow and alarm the reports of U.S. military strikes on Venezuelan soil and the forced removal of its leadership. We ask all people to join us in prayer for the safety of our brothers and sisters in Venezuela and for the wisdom of our leaders who hold the lives of so many in their hands.

Our friendship with the people of Venezuela is rooted in the Gospel's call to peace and the defense of human dignity. While we have long advocated for justice and the relief of suffering for the Venezuelan people, we believe that violence and unilateral military intervention are never the path to reconciliation. The bombardment of military bases and the capture of President Nicolás Maduro violate U.S. and international law, and risk igniting a wider conflict that will displace thousands and claim the lives of the most vulnerable—the poor families in the barrios of Caracas and rural communities throughout Venezuela.

As a U.S.-based Catholic organization, we echo the words of Pope Leo XIV, who has consistently called for dialogue over force. We urge the United States to cease all military operations immediately to prevent further loss of life, respect international law and the sovereignty of nations, and pursue multilateral diplomacy in addressing the crisis in Venezuela. We call on Congress to assert its constitutional responsibility by invoking the War Powers Resolution to stop any further military action by the Administration in the region.

*The Maryknoll Office for Global Concerns (MOGC) represents Maryknoll missionaries, who are Catholic men and women serving in impoverished communities around the world. The MOGC provides analysis and advocacy on issues of justice, peace and the integrity of creation that affect the countries and communities where Maryknoll missionaries serve. ###*
